

Notice of road closure, Risborough Road

August 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. If you have any questions or enquiries about our work, please contact our Helpdesk to find out more. You can sign up for regular updates in your local area at www.hs2inyourarea.co.uk.

What are we doing?

In September we will be closing Risborough Road overnight for approximately 16 nights to allow us to install the Risborough Road temporary bridge.

The bridge will be a prefabricated structure that will need to be lifted into position over the road. To ensure the safety of road users and our workforce we will be closing road overnight to complete the installation.

It is intended to carry our site traffic over Risborough Road, allowing us to demobilise the plant crossing we currently have on the road thereby reducing our impact on the local traffic.

When will these works take place?

- Friday 8 to Sunday 24 September; these works are overnight only (between 8:30pm – 5:30am).

These dates are subject to change due to circumstances beyond our control. Should the works be completed earlier than schedules the road closures will be removed.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
