Came & Company Local Council Insurance Core Cover Summary

With Came & Company Local Council Insurance you automatically receive the following core covers:

Public Liability - Any socially responsible Council should have this indemnity during times of increasing litigation. This will provide protection against your legal liability for bodily injury to third parties or property damage occurring on property for which the Council is legally responsible - as a direct result of the Council's negligence.

Other insurers will offer a higher limit of indemnity but our claims experience confirms our limit of indemnity is sufficient but if you are concerned please contact us.

Employers' Liability - This covers the legal liability of the Council for negligence following death or bodily injury or disease sustained by Employees, Councillors and Volunteers during and arising out of the course of their employment, including Corporate Manslaughter and Homicide. If the Council has employees then Employers' Liability is a legal requirement.

Hirers' Indemnity - If the Council insures a building this covers legal liability for hirers (small groups or individuals - non-commercial) of Council premises, should injury or damage to the property occur during the period of the hire.

Other insurers policies do not extend to provide cover for small groups but we feel this is important to support small groups in the community

Officials' Indemnity - This provides cover for legal liability claims arising from any negligent act, error or omission committed in good faith by any employee or official of the Council. The policy has a standard exclusion for member to member claims; this means that if an employee or councillor makes a claim naming another employee or councillor there is no cover within the policy.

Libel and Slander - This cover provides protection against a verbal or written comment, made by the Council, which a member of the public considers to be incorrect or damaging and as a result seeks financial compensation. The policy has a standard exclusion for member to member claims; this means that if an employee or councillor makes a claim naming another employee or councillor there is no cover within the policy.

Fidelity Guarantee - This provides cover against acts of fraud or dishonesty by any official of the Council, or a number of officials in collusion, and any subsequent loss of property.

To calculate the level of cover we use the precept and all of the financial reserves of the council ie the precept is paid twice a year which cover is half the precept and all of the financial reserves.

Personal Accident - The Personal Accident section covers Employees, Councillors and Volunteers from 16 years and up to the age of 90 as standard. To claim under this section a person needs have been injured whilst working on behalf of the council.

Please note; if a person is injured whilst carrying out the council's activities, cover is provided under the liability section **for all age** groups.

Money cover is included - Money cover provides for loss of money up to £1,000 to the Council when carried by Employees, for example to and from the bank, together with personal accident assault cover for persons aged between 16-90.

Property is covered on an all-risks basis. Theft and Accidental Damage is included as standard.

Increased Cost of Working - We automatically provide cover up to £10,000 for a period of 12 months, reducing the financial impact for the Council, should the Council incur additional expenditure as the result of an insured event.

Loss of Revenue - We automatically provide cover up to £10,000 a period of 12 months, reducing the financial impact for the Council, should the Council incur a Loss of Revenue as the result of an insured event.

Commercial Legal Expenses - This cover provides protection for the Councillors and Clerk acting in their capacity as officials for the Council, against the cost of potential commercial legal disputes, legal advice and representation; including employment, tax and contract disputes.

Key Person - If the Clerk, Deputy Clerk, Groundsman, Deputy Groundsman are unable to work due to **illness or injury** for 14 days or longer. The payment is made to the Council to contribute towards the cost of a locum or temporary person. The weekly amount can be increased for an additional premium.

Other insurers will offer Key personnel Liability - which **does not** provide cover for **illness** and the payment is forwarded to the person and not the council.

We will forward the payment to the council to assist with expenditure for the confirmed period. Few councils budget for this scenario and due to most councils now paying sick pay this additional cost can be a burden

Defibrillators & Cabinets - £5,000 has been included in the core covers for no additional premium to provide loss or damage cover for Defibrillators & Cabinets.

INTRODUCTION

These model standing orders update the National Association of Local Council (NALC) model standing orders contained in “Local Councils Explained” by Meera Tharmarajah (© 2013 NALC). This publication contains new model standing orders which reference new legislation introduced after 2013 when the last model standing orders were published.

HOW TO USE MODEL STANDING ORDERS

Standing orders are the written rules of a local council. Standing orders are essential to regulate the proceedings of a meeting. A council may also use standing orders to confirm or refer to various internal organisational and administrative arrangements. The standing orders of a council are not the same as the policies of a council but standing orders may refer to them.

Local councils operate within a wide statutory framework. NALC model standing orders incorporate and reference many statutory requirements to which councils are subject. It is not possible for the model standing orders to contain or reference all the statutory or legal requirements which apply to local councils. For example, it is not practical for model standing orders to document all obligations under data protection legislation. The statutory requirements to which a council is subject apply whether or not they are incorporated in a council’s standing orders.

The model standing orders do not include model financial regulations. Financial regulations are standing orders to regulate and control the financial affairs and accounting procedures of a local council. The financial regulations, as opposed to the standing orders of a council, include most of the requirements relevant to the council’s Responsible Financial Officer. Model financial regulations are available to councils in membership of NALC.

DRAFTING NOTES

Model standing orders that are in bold type contain legal and statutory requirements. It is recommended that councils adopt them without changing them or their meaning. Model standing orders not in bold are designed to help councils operate effectively but they do not contain statutory requirements so they may be adopted as drafted or amended to suit a council’s needs. It is NALC’s view that all model standing orders will generally be suitable for councils.

For convenience, the word “councillor” is used in model standing orders and, unless the context suggests otherwise, includes a non-councillor with or without voting rights.

A model standing order that includes brackets like this '()' requires information to be inserted by a council. A model standing order that includes brackets like this '[]' and the term 'OR' provides alternative options for a council to choose from when determining standing orders.

1. RULES OF DEBATE AT MEETINGS

- a Motions on the agenda shall be considered in the order that they appear unless the order is changed at the discretion of the chairman of the meeting.
- b A motion (including an amendment) shall not be progressed unless it has been moved and seconded.
- c A motion on the agenda that is not moved by its proposer may be treated by the chairman of the meeting as withdrawn.
- d If a motion (including an amendment) has been seconded, it may be withdrawn by the proposer only with the consent of the seconder and the meeting.
- e An amendment is a proposal to remove or add words to a motion. It shall not negate the motion.
- f If an amendment to the original motion is carried, the original motion (as amended) becomes the substantive motion upon which further amendment(s) may be moved.
- g An amendment shall not be considered unless early verbal notice of it is given at the meeting and, if requested by the chairman of the meeting, is expressed in writing to the chairman.
- h A councillor may move an amendment to his own motion if agreed by the meeting. If a motion has already been seconded, the amendment shall be with the consent of the seconder and the meeting.
- i If there is more than one amendment to an original or substantive motion, the amendments shall be moved in the order directed by the chairman of the meeting.
- j Subject to standing order 1(k), only one amendment shall be moved and debated at a time, the order of which shall be directed by the chairman of the meeting.
- k One or more amendments may be discussed together if the chairman of the meeting considers this expedient but each amendment shall be voted upon separately.
- l A councillor may not move more than one amendment to an original or substantive motion.
- m The mover of an amendment has no right of reply at the end of debate on it.

WEST WYCOMBE PARISH COUNCIL FINAL REVIEW & INTERNAL AUDIT FINANCIAL YEAR 2017/18

1. Introduction

This brief report outlines the conduct and results of my annual review and internal audit of West Wycombe Parish Council's (WWPC) accounts for the financial year 2017/18. The purpose of the review was to examine the accounts and documentation available for the year and the year-end accounts.

The annual internal audit, carried out on 1 May 2018 examined the accounts up to the end of March 2018 and the year-end accounts including:

- the start of year accounts and the annual risk assessment;
- the annual budgeting process;
- the finalised budgets and precept request for 2018/19.

2. Method

The following tasks were carried out:

- Two sets of minutes were selected at random and the financial actions specified within them traced through the Cash Book and supporting paperwork;
- All minutes for the financial year were scanned;
- The accounts was examined for each month;
- The final accounts were examined;
- The (computerised) Cash Book, Burial Records, Insurance Certificate and the adopted *Standing Orders, Financial Regulations and Procedures for the conduct of Parish Council meetings* (the Standing Orders) were examined.

3. Final Report

I applied the key control tests provided in the *Suggested Approach to Internal Audit Testing* and the results were as follows:

- The cash book was found to be maintained, arithmetically correct and regularly balanced;
- Standing orders and financial regulations have been adopted and applied and there are appropriate controls applied to payments;
- VAT has been identified, recorded and reclaimed;
- Risk management arrangements are in place and a Risk Register is maintained;
- The Council has prepared an annual budget in support of its precept, expenditure is regularly reported and significant variances have been adequately explained;
- Income has been properly recorded and promptly banked, the precept for 2017/18 was as expected and there are effective controls over cash;
- Petty cash procedures have been adhered to;
- The salary for the Clerk/RFO which was approved by the Council has been paid, as have expenses incurred. Since 1 September 2009 the Clerk has been employed by the Council which makes PAYE and pension payments for her;
- All bank accounts have been reconciled regularly, statements have been placed on file and no unexplained balancing entries were identified;

- There is an audit trail of cheque numbers and numbers identifying receipts between the Cash Book and the filed underlying documents. Debtors and creditors have been recorded.

Inspections of the playground are being carried out annually, in July this year.

4. Implementation of improvements

There were no recommendations last year.

5. Recommendations

There are no recommendations for improvement this year.

6. Summary

I have no concerns about the accounts and I am satisfied that I can complete a satisfactory Annual Report.

As usual, the quality of the bookkeeping and filing has made my task very straightforward and ensured that the audit has proceeded smoothly.
